For over ten years Cheryl Thornton has brought her engaging and educational K to Gr. 8 drama and storytelling programs to schools throughout Southern Ontario.

Cheryl Thornton has created an engaging drama and storytelling program for grade 2 classes exploring heritage and traditions. Birthdays, new years, weddings, and other special celebrations are featured in the 60-minute interactive program.

The program weaves together folktales from around the world, inviting participation through active listening and dramatization.

As grade 2 students learn how familiar holidays are observed in various cultures around the world, they are invited to participate in role-playing characters in stories from Japan, China, India, Australia and other countries.

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling program, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.

Cheryl Thornton, MFA, is the featured storyteller for Storyvalues Interactive www.storyvalues.com and has appeared on CBC, TVO and Roger's Cable.
