

Storyvalues presents: Cheryl Thornton's

Multicultural Myths

An interactive storytelling and drama presentation for grade 6 classes exploring multiculturalism.

Cheryl Thornton, has created an engaging storytelling and drama program for grade 6 classes exploring multiculturalism. The 60-minute interactive program brings to life engaging tales, inviting students to participate in problem solving and role-playing.

This educational and fun program combines storytelling with drama, providing students with the opportunity to participate in bringing world folktales and myths to life.

Students become familiar with stories from diverse cultures from around the world as they explore their creativity and expand language, cooperative learning and communication skills.

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling program, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.

For over 10 years Cheryl Thornton has brought her K - 8 drama and storytelling programs to schools throughout southern Ontario.
