**Cheryl Thornton** has created an interactive drama and storytelling program for JK through Grade 2 classes celebrating the season of spring. The 60-minute program weaves together multicultural folktales and myths inviting participation through drama and music...and everyone gets a turn!

Children listen to stories from Mexico, Spain, Africa, Canada. During the telling of, *The Empty Flower Pot*, a folktale from China, everyone is invited to present a spring flower to the emperor!

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling program, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.
