Cheryl Thornton has created a dynamic drama/storytelling program for JK through grade 1 classes exploring the season of winter.

The 60-minute interactive program weaves together multicultural folktales and myths inviting participation through drama.

Children have a chance to dress up as animals and climb into a warm woolly mitten in the Ukrainian folk tale of THE MITTEN...and everyone

gets at turn in making the French folktale, Stone Soup, come to life!

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling program, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.

Cheryl Thornton has a MFA from New York University and has appeared on the CBC, TVO and Roger's Cable. Cheryl is the featured storyteller for Storyvalues, which is available online at www.storyvalues.com
