

Storyvalues presents: Cheryl Thornton's *Tales From Medieval Times*

An interactive storytelling and drama presentation for grade 4 classes exploring the middle ages.

Cheryl Thornton, has developed a dynamic storytelling and drama program for grade 4 classes studying the middle ages. The 60-minute interactive program brings to life engaging tales, inviting students to participate in problem solving and role-playing.

Students delight in dressing up as kings, queens, princesses and princes in these engaging tales from long ago and far away.

Tales from King Arthur and stories of wise queens and clever fishermen set in the middle ages create an enthralling educational program for grade 4 classes.

Props, musical instruments and costume pieces help students enter the enchanting world of myths and folklore set in the middle ages.

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling program, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.

For over 10 years Cheryl Thornton has brought her K - 8 drama and storytelling programs to schools throughout southern Ontario.
