

Storyvalues presents: Cheryl Thornton's Storytelling for Family Literacy Nights

An Interactive Storytelling and Drama Presentation for Family Literacy Events

For over ten years Storyteller, Cheryl Thornton has brought her K - 8 drama and storytelling programs to schools throughout Southern Ontario.

Cheryl Thornton, has created an engaging program for elementary schools hosting family literacy events. The fun filled program combines the art of storytelling with drama inviting students to participate in bringing engaging multicultural tales to life.

The 45-60 minute program focuses on the oral tradition of storytelling and encourages families to tell their own stories and cultural tales at home. Cheryl shares ideas with parents on how to make storytelling a part of family life.

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling resource, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.

Fee Structure
